### PUNISHMENT.

Social progress has done away with a great many forms of punishment once administered under the laws of enlightened people. But nature never changes or modifies her penalties. She still has the same punishment for the man who neglects or abuses his stomach as she had in the far off days "when Adam delved and Eve span."

The physical discomfort, dullness, sluggishness, irritability, nervousness and sleeplessness which are visited upon the man who eats carelessly or irregularly have been from the beginning the evidences of disease of the stomach and its associated organs of digestion and nutrition.

Dr. Pierce's Golden Medical Discovery cures the diseased stomach and enables the perfect digestion and assimilation of food, so that the sluggishness, irritability, nervousness and sleeplessness which result from indigestion are cured also.

"I was taken sick nine years ago with fever," writes Mr. M. M. Wardwell, of Lincoln, Leavenworth Co., Kansas. "Had the doctor and he broke up the fever all right, but I took diarrhea right away; he couldn't cure it and it became chronic, and then he gave up the case. I got so weak with it and had piles so bad I couldn't lie down, nor hardly sit up. It was that way two or three months; I thought I would never be well again, but I picked up one of Dr. Pierce's Golden Medical Discovery one day and saw your description of catarrh of the stomach. I thought it hit my case. We had a bottle of Dr. Pierce's Golden Medical Discovery in the house that was got for mother. You recommended it for catarrh of the stomach, so I went to taking it. The one bottle nearly cured me. I got two bottles next time and took one and one-half and was well. I haven't been bothered with diarrhea since."

Dr. Pierce's Pellets cure biliousness.

## Sour Stomach

No appetite, loss of strength, nervousness, headache, constipation, bad breath, general debility, sour risings, and catarrh of the stomach are all due to indigestion. Kodol cures all these. This new discovery represents the natural juices of digestion as they exist in a healthy stomach, combined with the greatest known tonic and reconstructive properties. Kodol Dyspepsia Cure does not only cure indigestion and dyspepsia, but this famous remedy cures all stomach troubles by cleansing, purifying, sweetening and strengthening the mucous membrane lining the stomach.

## RUSSIA OPPOSES ZIONISM.

The Jewish Morning Journal of New York has received from its Russian correspondent the announcement that the Russian Government, which was hitherto favorably inclined toward Zionism, has suddenly determined to suppress the movement in Russia and stop its progress. The Zionists will, hereafter, be enjoined from holding meetings to advance the cause and from collecting money. All existing organizations will have to disband and cease their activities.

The reason for this hostile attitude toward Zionism on the part of the government is explained in an interview which Minister von Plehve gave to representative Zionists of Russia. It is asserted that Von Plehve, in the course of his remarks, said that the Russian Government was ever ready to support any movement which encouraged the emigration of Jews from Russia. "But," continued Von Plehve, "we can no longer countenance this movement, for we find that instead of centering all their efforts upon the colonization of Jews in Palestine, the Zionists have created a world power for the purpose of strengthening their position in the lands where they live, and to thwart Russia in every possible way."

"From the reports we receive of the Zionist activities we see that the acquisition of Palestine has been neglected entirely, and instead they are establishing a school and educational institutions to equip the rising Jewish generation with the proper means of defense against the hatred of their neighbors. But this is contrary to the Russian policy, whose interest it is to weaken the power of the Jews. The Zionists have also, by means of their organizations, stirred up the whole world against the 'Kishined' happenings," and yet we cannot guarantee against a repetition of the same 'happenings,' unless at least one and a half million Jews be taken out from Russia. But the Zionists, instead of working toward this end, which would secure them against similar calamities, are creating a hostile feeling against Russia throughout the world by holding us up to public shame and ridicule. Without Zionism the Jews were never so powerful, and it is now our firm intention to suppress this movement as detrimental to the country."

## ASSAULTED BY NEGROES.

William Scott, a negro who has been employed in almost every drygoods house in Paterson, N. J., was arrested yesterday near the Paterson postoffice, as he was attempting to assault a handsome young woman. The residents of the neighborhood have for some time past been terrorized by a negro whose identity was unknown. It was his habit to insult women at night. Matters reached such a stage that women were afraid to venture on the street after dark without escorts. The police made several attempts to capture the negro, but he always made himself scarce upon the approach of a bluecoat. Shortly before 7 o'clock yesterday morning a young woman on her way to work passed the corner and the negro sprang from a cellar way. He seized the girl about the waist and attempted to kiss her. A policeman ran from the postoffice doorway and told the negro with a blow from his nightstick. Scott was taken before the recorder, who told him that the people of the South were burning negroes at the stake for conduct such as his. He was sent to the county jail without bail to answer to a charge of atrocious assault on the public street.  
The residence of Capt. James White, on Hoopers Island, near Cambridge, Md., was robbed and his wife brutally assaulted Tuesday night. The family left home early in the evening to attend a church entertainment. Mrs. White returned home in advance of her husband, and while ascending the stairs to an upper room she discovered a negro at the head of the stairs. He rushed upon her, knocked her down and otherwise maltreated her. Her screams attracted the attention of persons near by, but the negro, who had robbed the house of \$65, made his escape. Several searching parties were organized to hunt him down, but when Captain White left the island for Cambridge yesterday the negro had not been apprehended.

**OPERATING ON A SICK COBRA.**—A remarkable feat of snake surgery took place recently in the New York Zoological Park under Curator Dittmars. Naigina, a splendid 10-foot king cobra, had developed an abscess next to one of her poison fangs, and unless this was removed she would die. To capture the dangerous reptile, to force her jaws apart, and to cut the abscess, was the problem. The curator had a plan and he called for an extra-fat snake pill. When the stuffed snake appeared it was distended to the bursting point. In more than a month the cobra had not touched food. Mr. Dittmars summoned five keepers, armed himself with a surgeon's pincers, and proceeded to the attack. Through

## Don't Lose Your Grip

Gray hairs often stand in the way of advancement for both men and women, socially and in business. Many men are failing to secure good positions just because they look "too old," and no one knows how many women have been disappointed in life because they have failed to preserve that attractiveness which so largely depends on the hair.

## HAY'S HAIR-HEALTH

has been a blessing to thousands. It is a hair food, nourishing the roots, forcing luxuriant growth, covering bald spots, restoring freshness and life, and positively brings back gray hair to its youthful beauty and color. Hay's Hair-Health is not a dye, and its use cannot be detected.

"I am pleased to give my experience with Wine of Cardui as I am very grateful for its help. After my first baby was born I could not seem to regain my strength, although the doctor gave me a tonic which he considered very superior, but instead of getting better I grew weaker every day. My husband came home one evening with some Wine of Cardui and insisted that I take it for a week and see what it would do for me. As he seemed to have so much faith in it I did take the medicine and was very grateful to find my strength slowly returning. In two weeks I was out of bed and in a month I was able to take up my usual duties. I am very enthusiastic in its praise."

**MOTHERHOOD** is the noblest duty and highest privilege women can achieve or aspire to. Without this privilege women do not get all there is in life—too often they go through the world discontented, wrapped up in their own selfish cares and troubles. How different is the happy mother, watching her children grow into manhood and womanhood. A mother lives as many lives as she has children—their joys and sorrows are hers, as are their ambitions, triumphs and defeats. Healthy women do not suffer miscarriage nor does a woman who is healthy suffer losses at childbirth. It is the woman who is ailing—who has female weakness—who fears the ordeal of becoming a mother. Wine of Cardui builds up the womanly in a woman. It stops all unnatural drains and strains—irregularities which are responsible for barrenness and miscarriage. It makes a woman strong and healthy and able to pass through pregnancy and childbirth with little suffering. After the ordeal is passed the Wine prepares a woman for a speedy recovery to health and activity.

Wine of Cardui, in re-inforcing the organs of generation, has made mothers of women who had given up hope of ever becoming mothers. Wine of Cardui will cure almost any case of barrenness except cases of organic trouble. How can you refuse to take such a remedy that promises such relief from suffering? Wine of Cardui simply makes you a strong woman, and strong, healthy women do not suffer. They look forward to motherhood with joy.

A million suffering women have found relief in Wine of Cardui.

a circular aperture, protected with a slide, the snake pill was threaded. The hungry snake took hold of it at once. Frequently she stopped, in evident pain, but each time she resumed until the long, black thing was half way down her throat. This was the moment to act. The cobra could disgorge herself to fight she was seized by the head and throat, while other hands grasped her body and tail. Then the mouth was forced wide apart, while the pincers did their work, and the finest specimen of cobra in captivity was thus saved to the collection. [McClure's Magazine.]
